SCANNED & SENT

Dear Sir:

Article 50 of the UTU 2010 Southern Agreement provides that all road work trains, five days or less, will be paid yard rate of pay. It appears that the payroll system has **not** been updated to reflect such increased basic daily rate of pay. Specifically, the following work trains under the AT MY crew area are still being paid at work train (local freight) rate:

WA011

WA008

WA009

It would be appreciated if CSXT would run a report back to June 1, 2010, and correct all payments, programming the system to pay the correct rate of pay in the future.

Please handle, advising accordingly.

Thanking you for your assistance in this matter.

Sincerely,

John C. Hancock
General Chairman
